PROFILE

Frontend Developer specialized in building responsive, high-performance web applications using Next.js, React.js, and Tailwind CSS. Focused on delivering user-friendly, accessible solutions and creating seamless user experiences across devices. Proficient in modern HTML, CSS, JavaScript(ES6+), and TypeScript, combined with strong problem-solving and critical thinking abilities.

INTERNSHIPS

Front-End and Cross Platform Mobile Development - ITP Program

Nov 2024 – May 2025

Information Technology Institute (ITI)

Mansoura, Egypt

- Developed hands-on projects focused on responsive design, interactive user interfaces, and performance optimization to enhance usability and accessibility.
- Took on a leadership role as a track leader at ITI, enhancing organizational and communication skills through team coordination.
- Led a team in developing Herafi, a platform connecting clients with handymen, enhancing user experience.
- Developed a RAG-based AI chatbot using Gemini 1.5 Flash, Pinecone, and sentence-transformers/all-MiniLM-L6-v2. 

EDUCATION

Mansoura University

Bachelor of Law

Grade : Very Good with honors

June 2022

Mansoura, Egypt

PROJECTS

Personal Portfolio | Next js, TypeScript, Tailwind CSS, Framer Motion, Resend, React-Hook-Form.

- A modern, responsive personal portfolio website designed to showcase my background, latest projects, and contact information. Features smooth animations and an engaging user experience across all devices.

NovaCart | React, Tailwind CSS, Redux, Firebase, Framer Motion, React Hook Form, React Router DOM.

- A dynamic product marketplace with smooth animations, robust state management, and Firebase integration for authentication and data storage.

MediPortal | React, Tailwind CSS, Context API, Firebase.

- An appointment booking platform enabling patients to register, log in, and reserve consultations with real-time availability management.

ZestyBite | React, HTML, CSS, JavaScript.

- A single-page food delivery site showcasing restaurants and menu items with responsive layout and interactive ordering features.
